

## VOLUNTEER CONFIDENTIALITY STATEMENT

---

All information concerning service recipients will be held in strict confidence. Volunteers will be prohibited from discussing service recipient's behavior, disabilities, financial, or family situations with any person; including but not limited to, family members of other service recipients.

Any volunteer breaching confidentiality regarding service recipient information or any business or employment related information of the Dawn of Hope Inc., will be prohibited from any further involvement with the Dawn of Hope and be subject to any applicable criminal prosecution.

I have read and understand the above.
