## We love our new exercise equipment

THANK YOU, NITRO SWIMMING!

**T**hanks to a recent donation, the service recipients are exercising more than ever. In January, Nitro Swimming of Cedar Park, Texas, blessed us with eight new pieces of cardio equipment. We received our previous machines six years ago through a wellness grant—but when the grant ended the exercising did not. In fact, the service recipients exercised so

much that several of the machines were broken and barely working. One service recipient was so excited about the new equipment she told everyone she was “gonna make smoke come out of the treadmill!” Another service recipient who has not exercised in 10 months is now exercising again.

We are so proud of their efforts to lead healthy lives and we thank Nitro for helping us fulfill our mission to enhance the lives of adults with intellectual and developmental disabilities in Northeast Tennessee.

*Left: Bud, Brian, and Joey all enjoy the cardio equipment donated by Nitro Swimming of Cedar Park, Texas.*
