Fun at Dawn of Hope!

On Dress Like a Cow Day, Chick fil A offered a free meal to anyone dressed in bovine attire. We all had a great time, including Jimmy, Linda, Mary Lou, and Mildean.

We were fortunate to have Jim "Two Crows" Wallen visit Dawn of Hope for a private storytelling performance with our service recipients. Wallen has performed at the National Storytelling Festival in Jonesborough.

Congratulations Cantech Industries!

VOTED 2010 TNCO BUSINESS OF THE YEAR

For the past 25 years, Cantech has supplied work to our Vocational Center and to nearly 40 Dawn of Hope service recipients within the workshop. This partnership has greatly benefited these individuals and has grown stronger over the years. The management at Cantech continues to provide new contracts to the Vocational Center as they expand. In addition to the contract work, Cantech employs three Dawn of Hope service recipients within the company. Two individuals label boxes and one runs a machine that recycles

damaged rolls of tape. The management at Cantech is extremely open minded to hiring individuals with special needs and are accommodating to those needs. They lead by example within the community and see the partnership with Dawn of Hope as very beneficial to their company. Plant Manager Mark Patton sees it as "a blessing and encouragement to all of us each day to work with the service recipients

*Thank you
for your partnership

and other employers are missing out on a wonderful experience if they don't get on board with Supported employment."
